

**HOLY NAMES ACADEMY
PREPARATION CLASS FOR SAT EXAM – Fall 2017**

COURSE DESCRIPTION: This optional class prepares students for SAT exams. The course teaches problem-solving strategies for both the verbal and mathematics sections of this test. Students train with actual practice problems and exams in order to reduce test anxiety. Classes are scheduled to avoid fall holidays and to prepare students in time for the SAT test dates on November 4 and December 2, 2017.

***Mondays and Wednesdays** – Wednesday, September 6, through Monday, October 9
2:45 to 4:00 p.m. – 10 classes total.*

Since the verbal and mathematics sections will be covered on alternate days,
students must attend class two days per week.

PRICE FOR THE CLASS IS: \$125 (includes materials)

REGISTRATION: Since there is a high demand for this course, students should register by mail or in person as soon as possible. Telephone registrations will not be accepted. Classes will be filled on a first-come, first-served basis with priority given to this year's **juniors**. All registration applications and fees are due in the Academic Office by Friday, August 18, 2017. *(Parents of 9th graders, please note that students do not typically enroll in this class in their first year.)*

An e-mail will be sent in August to the parent e-mail address listed on the registration form stating whether or not your daughter is enrolled in the class. If your daughter is not enrolled, your original check will be returned once the class lists have been finalized and classes have begun.

ATTENDANCE: Students who miss the first class without alerting the instructor in advance will lose their spot to someone on the waiting list. Furthermore, these students will forfeit their \$125 registration fee. Please note that even though these classes are outside school hours, regular attendance is vital in order for your daughter to get the full benefit.

Save this top portion for your records & calendar. Clip and send bottom section with your check.
