

Dear Senior Parents,

The 2016-2017 Holy Names Academy yearbook, *The Excalibur*, is under way, and the yearbook staff is excited to be working on this annual. The following are three items that the yearbook staff would like you to consider:

1. The **senior yearbook portrait** must be taken by the end of September of the 2016-2017 school year by Yuen Lui Studios. We have worked with Yuen Lui to provide a specific background and image size for the school's yearbook. Appointments for Senior Portraits fill quickly, so they should be scheduled right away. Please mention that your daughter attends Holy Names Academy when scheduling your appointment.

The yearbook portrait is free. Any additional pictures are optional and provided by Yuen Lui at a cost. Pricing information was given this spring to the students about optional picture packages and photo sittings.

Call one of Yuen Lui's convenient locations to schedule your Senior Yearbook Portrait:

Bellevue	(425)	453-1606
Kent	(253)	854-8600
Lynnwood	(425)	771-3423
Redmond	(425)	882-1168
Seattle/Roosevelt	(206)	523-5707
Tacoma	(425)	475-1303

2. The yearbook staff will ask seniors to submit several items for the senior section of *The Excalibur*. Those items and links for uploading pictures are listed below. Please follow the naming protocol for pictures before you upload them to the links below. Please name the picture by last name, first name, and what category. For example, Sarah Smith's baby picture would be **smithsarahbaby.jpg**. Choice pictures would be **smithsarahchoice.jpg**. This is *very* important so that we can place the correct student in her senior section.

- a. **Baby picture** - <https://drkoobraey.wufoo.com/forms/qmut3tj19een8k/>
- b. **Senior quote** – Students choose and submit an appropriate quote that reflects something about themselves. <https://drkoobraey.wufoo.com/forms/q6gk3180d8eivu/>
- c. **Senior superlative** – We ask students to write their own superlative. Past examples are “Most likely to be an anchorperson on CNN” or “Most likely to know every song on the radio.” Here is the link to submit the senior superlative. <https://drkoobraey.wufoo.com/forms/q8e86nx10eyija/>
- d. **Choice picture** – A choice picture is the third picture the yearbook staff includes in the senior section. Typically, this picture reflects the senior’s passion for sports, the arts, or some other pursuit. For example, a student athlete will have a picture taken on the basketball court or the soccer field. Other students submit another picture from their senior picture session. <https://drkoobraey.wufoo.com/forms/q1bjxvaz0prw781/>

All of these items are due on Monday, November 28, 2016.

3. Many senior parents choose to purchase **Senior Recognition Ads**. You can create your senior ads by going to www.jostens.com/yearbookads and following the process for creating the ad. The ads are due by Saturday, January 14, 2017 so that we may review and submit them by our late January deadline.

The *Excalibur* staff looks forward to working with you and your daughter to create a yearbook that captures the memories of her senior year under the Dome.
