ADVANCED PLACEMENT PROGRAM

Advanced Placement (AP) is a program administered by the College Board in which high schools can offer college-level courses. Students enrolled in AP courses are tested on a national test day in May. Depending on their score, they may, and often do, earn college credit and/or gain early access to upper-level college classes. The exams are scored on a scale of 1 to 5, with the grade of 5 receiving the rating of “extremely well qualified.” Generally, a score of 3 or above earns college credit, depending on the college’s policies. Holy Names Academy students are encouraged to challenge themselves by taking AP classes as appropriate.

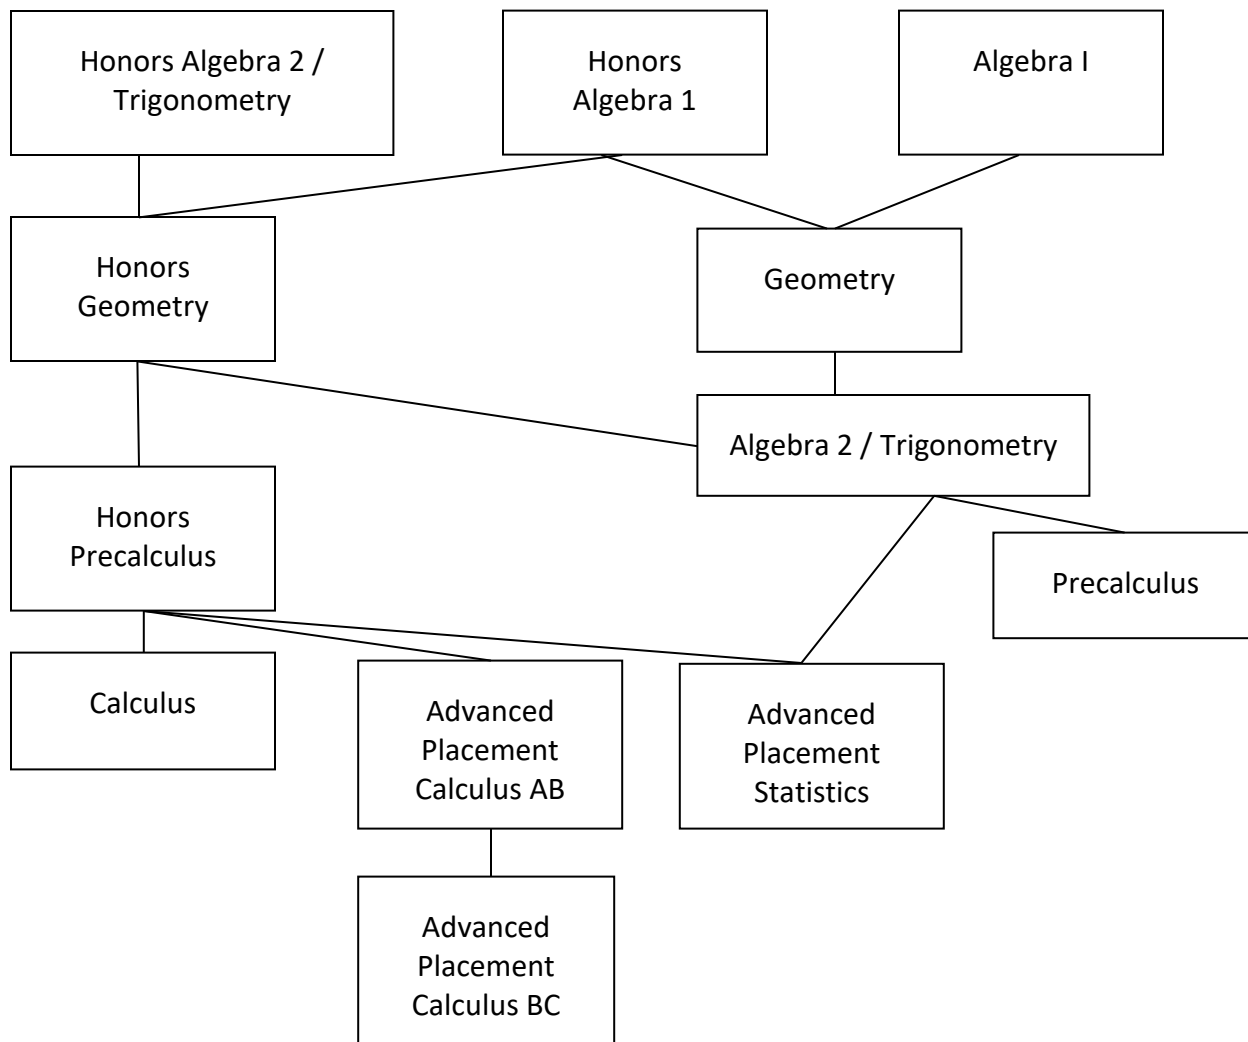

Reflecting the school’s commitment to providing broad access to the program, in May 2019, 923 AP exams in 16 subjects were proctored to 441 candidates at HNA. In all 16 subjects, Holy Names Academy students collectively scored higher than national and global averages. All students enrolled in an AP class are required to take the corresponding AP exam. Among the Class of 2019, 89% earned a score of 3 or higher on one or more exams.

In 2019, the College Board awarded 239 AP Scholar honors to 214 HNA students: 21 were named National AP Scholars, the highest honor, while 85 were named AP Scholars with Distinction, 47 were named AP Scholars with Honor, 82 were named AP Scholars, and four received the AP International Diploma.
